

**AGREEMENT OF ACADEMIC INTERCHANGE AND EDUCATIONAL
COOPERATION BETWEEN TOHOKU MEDICAL AND
PHARMACEUTICAL UNIVERSITY AND NATIONAL UNIVERSITY OF
MONGOLIA**

Tohoku Medical and Pharmaceutical University (Japan) and National University of Mongolia (Mongolia) hereupon enter into an agreement of academic interchange and educational cooperation based on reciprocity.

1. Both universities agree to perform the following interchange activities based on their respective academic and educational requirements:
 - 1) Interchange of students studying abroad
 - 2) Interchange of faculty members
 - 3) Planning and execution of cooperative research
 - 4) Sharing facilities and equipment on campus
 - 5) Exchange of academic information and materials
 - 6) Other academic and educational interchange activities
2. Each interchange activity based on this agreement shall be negotiated between the two universities, and then the activity shall proceed according to the memorandum established by those negotiations and shall be separated from this agreement. Funding for interchange activities will be arranged at each university.
3. The duration of the agreement is five years starting the date in which it has been signed and it is renewed automatically. The parties may rescind the agreement with six months pre-notice.
4. The faculty members, students, and researchers will not engage in any misconducts and inappropriate conducts in the research activities, and will respect the public interest, and comply with the laws, regulations, guidelines, and the various rules and regulations of relevant countries and organizations.
5. This agreement is to be executed in two original documents, both written in English and being equally authentic.
